FEATURES & BENEFITS OF THE BIRKENSTOCK FOOTBED

1 MORE TOE ROOM

Allows toes to move naturally, which promotes better balance and foot alignment from toe to heel

2 RAISED TOE BAR

Encourages natural gripping motion of your feet, exercises the legs and stimulates circulation

3 CONTOURED FOOTBED

Four arches ensure even weight distribution and proper posture

4 DEEP HEEL CUP

Cradles the heel and keeps natural cushioning right under the heel bone

5 SHOCK ABSORBING EVA SOLE

Flexible, durable, lightweight

6 JUTE FIBERS

Two layers – one wicks away moisture, the other adds strength

7 CORK FOOTBED

Firm, resilient cork/latex base for maximum support

8 FOOTBED LINER

Soft suede keeps your feet comfortable and dry

BIRKENSTOCK SOFT FOOTBED

Some styles feature the Birkenstock Soft Footbed, our Classic Footbed with an extra layer of cushioning foam inserted between the suede footbed liner and the layers of cork and jute below. This layer of memory foam naturally rebounds to its original form and generates long-lasting cushioning comfort.

New heel. Same feel.

The Papillio collection delivers the support, comfort and quality of a classic Birkenstock sandal – with a lift.

Our wedges maintain even weight distribution with no increased pressure on the forefoot by bringing the trusted technology of the Birkenstock contoured footbed to new heights.

The result? All-day comfort.
